

Michelle's Consignment Boutique Contract

Formals, Wedding Gowns and Accessories in BG Store

1. 50/50 Split for 1 year.
2. All items must stay 90 days or there is a \$25 fee per item if picked up early for each item.
5. All formals priced over \$50 are on a **ONE-YEAR-ONLY** consignment. If items are not picked up at the end of one year, all remaining items become the property of Michelle's and will be **donated** at the discretion of Michelle's. It is the sole responsibility of the consignor to request pickup of unsold items; we do not contact with reminders.
6. Items priced under \$50 must be picked up within **6 months**, or they will be discounted and moved to our clothing store. We cannot make item returns once the item has moved locations. Unsold items will be donated after 60 days in new location.
4. Consignor must give a **one-week notice** to pick up any items. Once a pickup request has been made, you have one week to pick up all items, or they will be **donated**. NO exceptions; we are not responsible to contact before donation.
7. We do our best to safeguard gowns but Michelle's is not responsible for damages such as broken zippers, missing beads or eye hooks, etc. Michelle's reserves the right to discount any gown due to end of season sales or damages of any kind. We are not responsible for missing items due to theft, fire, flooding or any other acts of God.

Pricing:

1. Items are typically priced at 50% of the retail price. We do research your items for current retail pricing and will use this to guide pricing.
2. We do not contact you with your prices if they are 50% of true retail price; you must request if you would like contact should your items be priced under 50% of true retail price. If we contact you with pricing, you have 24 hours to respond or we will assume you have approved prices and your items will go out to the floor.

Balances and Payment Pickups:

1. At initial account creation, you will be given information about how to check your account balance online or through the app. If unable to check your balance in these ways, it is the customer's responsibility to call or come in. We do not contact you when your items sell.
2. All balances need to be picked up/requested within **ONE YEAR** of the initial drop-off date. Failure to do so results in forfeiture of all funds gained. This is the sole responsibility of the consignor; we do not contact you or make automatic payments.
